Dear Friends of our Festival:

Greetings! Plans for Francesville's 2021 Fall Festival are well underway! This year's festival is certain to be a time of celebration! New attractions, **free to the public**, include Flippenout Extreme Trampoline Shows, Jerod Bolt in Concert, Blue Grass Holler Band, and Guitars and Cadillacs. Other family favorites remaining on the schedule are Jungle John, Kelita the Magician, and Amusement Rides by Beer & Jessop (subject to cancellation). While various food vendors, crafts and novelty booths will line our downtown streets, Saturday's parade and Sunday's car show in the park are certain to draw big crowds. The return of this festival is an event many are anticipating!

Our festival and special attractions would not be possible without the generous support of our local businesses and community members. Please know we certainly appreciate your past contributions and are once again seeking your support. Acknowledgement of all level sponsorships will be recognized via a banner and will be displayed near the gazebo during the festival weekend. **This year the corn hole tournament will be funded solely through our levels of sponsorship.**

The level of sponsorships is as follows:

Platinum—donation of \$2000+	Bronze—donation of \$250+
Gold—donation of \$1000+	Brass—donation of \$100+
Silver—donation of \$500+	Pewter—donation of \$1+

To properly recognize our supporters, please complete the enclosed form and return it **by Friday, August 13<sup>th</sup>** with your donation to:

Gutwein Insurance & Financial Services  
102 E. Montgomery St. PO Box 547  
Francesville, IN. 47946

Thank you for your continued support which enables us to provide a fun-filled festival!

Marty Neihouser

Festival Committee President
