- 4. Please repair all ball marks on the greens prior to putting.**
- 5. Please observe all local course rules.**
- 6. Enjoy the day and your fellowship with other golfers!**

RULES:

- 1. A scramble means that all team members tee off on each hole and then decide which tee shot they like the best and mark the spot with a tee or ball marker.**
- 2. The other team members pick up their balls and place them within one club length (no closer to the hole) of the marked spot. Each team member hits their next shot from the marked spot.**
- 3. If the ball you choose to play is in a hazard (sand, water, etc.), the rough, or out of bounds, you cannot drop the ball outside of the hazard or rough even if relief is within one club length away.**
- 4. This procedure is followed on every shot for the remainder of the hole, including putts. The ball should be marked on the putting green also and putts need to be made within 3 inches of the marked spot (no closer to the hole).**
- 5. Men under age 65 tee off from the white tees and men 65 and over and women from the red tees. Exception is for hole 18, the hole-in-one grand prize. All golfers, men and women, must tee off from the white tees measured at 150 yards in order to be eligible to win the prize.**
